## Glimpse of Grace

In a few weeks we will mark Father's Day. As I reflect upon what the day means to me, I also am reminded of a teenage girl who was in a senior high Sunday School class that I taught in 1976. I had not yet gone to seminary. I no longer remember the girl's name. Her face is now shrouded in the passage of time. But her story remains hauntingly etched upon my mind.

We were studying the Lord's Prayer. She became unusually quiet as we talked about "Our Father, who are in heaven..." After class she haltingly approached me. I learned her story of abuse and neglect. She walked to Sunday School from a nearby group home. The first years of her young life was a series of abusive live-in-proxy-fathers and foster homes. By accident or Providence (the latter being more in line with our theology) she made her way to the Sunday School class that I taught. As I learned her story of never experiencing a positive caring male figure, my heartache was tempered by her pain and confusion.

Every now and then I think of that now faceless child of God. And I realize that she is not "faceless" at all. She wears a million faces and goes by a thousand different names. She is the child without a father, the child whose father was abusive or who walked away from fatherly responsibility.

The late pediatrician and lecturer T. Berry Brazelton once told Bill Moyers that an absent or uninvolved father makes life very difficult for a child. He has had fatherless 3 and 4 year-old children climb upon his lap, fawn and feel his face "as it they just couldn't get enough of what a man is like." He quoted studies that indicate that if a father is absent in the first year of a child's life, by the time that child turns 7 his or her IQ will be lower, be less successful in school, and have a poorer sense of humor.

Years ago my daughters gave me a little wooden plaque that read, "Any man can be a father; it takes someone special to be a daddy." Father's Day is not about biology. It is about something far greater. It is about love, showing up, and caring. Father's Day isn't just for "fathers." It is about any man who takes the time to invest in others.

## Active Advocates

*Reflections shared at a recent worship service.*

About 25 years ago our family was looking for a church with a strong youth program for our son. We found that at First Federated.

Since then, Nancy and I have volunteered with LOGOS and Vacation Bible School. We have witnessed the interactions of Kathie, Russel, the teachers and others with the children of our FFC Preschool.

We've delivered Snack Packs to Whittier Grade School and heard the gratitude expressed by teachers and staff.

We have supported Passport for Hope.

These examples coupled with the spiritual guidance from Frosty and Zach show us we are at the right place.

**First Federated  
is our  
Church family.**

First Federated is our Church family.

As such, we have included FFC as part of our estate planning. The Endowment Fund of First Federated has been designated as beneficiary for one of our life insurance policies.

First Federated Church depends on all of us. Please join Nancy and I in supporting First Federated with your time, your talents and your treasures.

Thank You!

Jeff Shelton,  
First Federated Church  
Treasurer

*Reflections shared Sunday May 27, 2018*

Hello. My name is Bridget Mattson and I have been a member of First Federated Church (FFC) for a little over 5 years. I joined FFC because of the strong community of faith that we have as a church. I was drawn in not only by the Christian Education programs but also the opportunities available to us on a daily and weekly basis which allows us to give of our time and talents. I have volunteered in many different capacities since joining FFC such as greeting, ushering, VBS, etc. and now am serving on the Executive Board. This new opportunity is allowing me to see FFC from a different light.

All the programs and needs of FFC are so very vital and important to our survival as a church community.

We need to support them with not only our time and talents but also our tithes and offerings. Without our financial support and contributions, FFC may not be able to sustain all the wonderful things that drew me to FFC.

I encourage each of you to "Count Your Blessings" for what you receive and give to FFC and think of how FFC has impacted your life.

Grace and Peace to each of you!

Bridget Mattson,  
Executive Board,  
Class of 2020

## August Is Family Worship Month

August, the last month of summer break. . . as a boy I was not fond of August because it meant school would start up soon. Transitioning to the new school year meant I would be taken shopping for school supplies, clothing, and if there was a silver lining in going back to school, it was that I got new shoes. There were so many types, styles, and sizes picking the right one took time. Once I found the shoe I wanted, the salesperson would measure my foot and then get the appropriate size. In those new shoes life changed. I could dodge better, jump higher, and run faster, or so I thought.

This August, we will transition to a practice we did last year - Family Worship Month. We are going to have Family Worship Month because there are all different types and styles of worship. During the month of August all school age children are invited to stay in the Lord's Day Worship Service. There are a

variety of reasons for this, but the main one is the body of Christ is made of many parts. Each part of Christ's body is integral to the church. Together we are the body of Christ and as Christ's body we, one and all, are called to worship together. This month is a great opportunity for children of all ages to learn what it means to be part of a worship service.

This change in worship for the month of August is kind of like getting a new pair of shoes. It might take a little getting comfortable with, but just like a new shoe, however worshipping together, children and adults alike, is just the right size. I believe this style of worshipping as a family, fits a body of Christ, and First Federated Church well. I am looking forward to worshipping with all of you!

## Music Ministry

### Hymns

As we continue our study of the role of music in our worship here at FFC, we move to a component we all participate with: hymns. Singing has been a part of the worship vernacular for centuries, though not firstly as a part of Christian worship. The singing of psalms was the first example of public worship singing. In terms of Christian worship, hymns almost did not make the cut. Many of the early popes feared public singing, in that handing the responsibility of worship over to the masses was an atypical motive. The Lutheran Church was the first to place liturgical text to common melodies, which was completely contrapuntal to the more complex music of the mass. The Church of England did not approve of public service hymn singing until 1820. The more modern take of hymn serves both as vocal, corporate worship, as well as a difference of energy level within the flow of a service. The common start to our services usually involves a more upbeat, high energy hymn to start, a more subtle middle hymn, or anthem, and then a more common hymn to finish. The function of hymns are always purpose driven. *"Songs and hymns refresh the body. Hymns invoke the spirit to rise to its maker for strength. When we live in a day without a hymn or a song, we disregard the essence of the day."* Ernest Aggemang Yeboah

The theologian J.J. Fux said "Church music should serve to arouse the worshiper to devotion." This lesson applies to anthems, offertories, and any form of special music. So, sing, be full of passion and faith, and know that there is a place for your contribution to the celebration of worship in any church, but especially here at First Federated Church.

### New Program Year

- **Come and join the Chancel Choir and express your faith through song!**

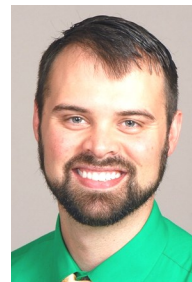

The program year is just around the corner, which means the Chancel Bells and Chancel Choir will be back as a regular part of our worship. I have the privilege of hearing the congregation raise the strain whether we are in session or not and I can factually state that there are many fine voices that would fit in well with our Chancel Choir. Please, if interested, contact a choir member or me.

- **Join our Sound Team**

We have an additional goal that is open to those who doubt their music skills but would like to help at our 10:00 am worship service. Our sound system team has room to grow. If interested, please contact me or Andy Braun.

**Russel Boulton**

Director, Worship and Music

*This letter was originally shared in a congregational email on May 14th and has been published twice, May 13th and 20th, in our weekly worship bulletins.*

As our Vision in Action Campaign (**VIA**) closes out, we are pleased to report that the campaign was a financial success.

Pledges, to be paid over the five years of the campaign, from the congregation were **\$1,790,900**. Because of the generosity and commitment of the congregation a total of **\$1,798,209 - 100.4%** of the original pledged amount - has been received as of the end of April 2018.

Additionally, contributions of **\$112,391** have been received to support specific projects undertaken as part of the **VIA** activities.

Pledges received totaling \$86,720 were earmarked for increasing our Endowment. In addition, \$560,000 in bequests were received as part of the campaign for the Endowment.

Additional information on the specific improvements and projects accomplished through **VIA** will be forth coming in the next month.

Again, thank you for support and commitment to First Federated Church.

Blessings,

Jeff Shelton, Treasurer, First Federated Church of Peoria

*This letter was originally shared in a congregational email on May 28th and has been published once, May 27th, in our weekly worship bulletins.*

This summer we will undertake two major maintenance projects at First Federated Church funded by generous contributions to our Vision in Action Campaign.

In late May or early June our parking lot will have two sealcoats applied and then be restriped. The project will occur in two steps. The filling of existing pavement cracks has already been completed. The coats of sealer will be applied in two phases with half of the parking lot being sealed on each of two consecutive days. The final step will be the striping. We will send out additional information as dates are finalized. All work requires cooperation of the weather!

Our second project funded through Vision in Action contributions is needed maintenance and repair work on the organ piping and equipment in the church organ loft. Beginning the week of June 25th, Buzard Pipe Organs will remove the organ pipes and other equipment in the loft and will take them to their facility in Champaign. The work will take approximately 6 to 8 weeks with reinstallation in mid-August.

Once again we thank you for your prayers and support in our life together.

Blessings,

Kent Kowalske, Vice Moderator
