2022 ANNUAL STEWARDSHIP CAMPAIGN

A stewardship campaign encourages commitments, or pledges, from church members to help us budget for the following year.

Based on these pledges, church leadership determines what we hope to accomplish in 2022.

Every dollar pledged is vital and no amount is too small to make a difference!

"Bear one another's burdens, and in this way you will fulfill the law of Christ."

Galatians 6:2

Would you like to be part of a ministry that makes a real difference in others' lives when they need it most - and in your own? Consider becoming a Stephen Minister!

Stephen Ministers are members of our congregation who provide one-to-one caring ministry to people experiencing grief, divorce, loneliness, job loss, hospitalization, and many other life difficulties.

Stephen Minister training equips you to do an excellent job as a Stephen Minister as well as to improve the quality of all your relationships.

We are searching for recruits for the Stephen Ministries program beginning shortly here at First Federated Church.

Please contact Rev. Stephen Barch if you would like to have a conversation about becoming part of this exciting new ministry.

WHERE DID THE SUMMER GO?

Where did the summer go? This year has already flown by; it is 2/3rds of the way complete. How did that happen?

Part of the explanation is that so many things have happened during this year. We have experienced the up and down cycles of COVID and the ever-changing infection rates and guidelines that we should follow. There has been grief and loss: loved ones have passed away and circumstances have hindered the sharing of our grief and the appropriate consolation. Classroom and school closings have unexpectedly disrupted our plans. Feelings of exasperation have become the norm because our lives have been placed on hold or thrown into turmoil, sometimes both at the same time. And, let's not mention the political issues or natural disasters that have bombarded our newsfeeds.

But you, you are to be commended for your resiliency – your adaptability, your coping skills – in dealing with the onslaught and rapidity of change that you have faced. You have recognized that there is something greater out there that is able to provide sense and stability for your life. This greater force is called faith. And through faith, you have risen to the task exceedingly well. Allow me to provide a few examples:

- *People are still joining the church.*
- *Baptisms still occur.*
- *We achieved a successful capital campaign in a short period of time.*
- *A record amount was raised through last year's Christmas catalog.*
- *A record amount was raised for mission through this year's Rummage Sale that will support our ministry through Snack-Pack and Wana Wa Mola.*
- *The endowment is at the largest point that it has ever been.*

- *Your faithful giving helped the church achieve a surplus at the end of last year.*
- *The roof is being replaced.*
- *The Christian education wing underwent some remodeling efforts in order to meet new fire code.*
- *Singing and congregational response has resumed.*
- *The organ will be repaired and back in operation shortly.*
- *The parking lot will be resealed this Fall.*
- *People are stepping forward with volunteer efforts and hours.*
- *The Senior Pastor Search Committee – a great assemblage of individuals – is underway.*
- *A Stephen's Ministry is beginning.*
- *And yet, there are still other items that have not been named.*

Wow! Such great, loving responses!

"How have we done this?" you may ask. It is because you are allowing yourself to live in the aspect of faith – of seeing the possibility of what God can do because of you, with you, through you. In seeing that possibility, a difference has been made in all of us as programs are enriched and lives changed.

All of these things have happened because of the encounters in which possibility and love were fully present. And if those stories can be multiplied like an epidemic, we WILL see a changed, better world, a world where love and possibility are the threads that hold everything together.

On behalf of the church Finance Committee, thank you all for your contributions to the Raise Our Roof campaign. Your amazing generosity has allowed us to exceed our goal of \$350,000 in only a few short months and will allow us to pay for our beautiful new sanctuary roof! We are blessed to have a wonderful facility and

appreciate your financial support that enables us to accomplish this important capital project. We will celebrate this accomplishment in Our Life Together after the dust settles from the construction.

Coming Back Together

STEWARDSHIP 2022

As a new school year is starting, it's also time to launch our 2022 Stewardship campaign:

"Coming Back Together"

In the following paragraphs, some of the church's Executive Board members share why they support First Federated Church. Each one talks about a different one of our four pillars of faith:

WORSHIP · EDUCATION · MISSION · FELLOWSHIP

As you read through them, think about all the reasons you also support the church.

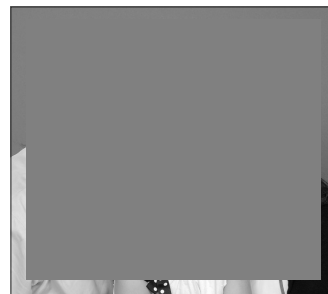

Worship is the first church experience we are exposed to whether we are looking for a Church, or we are just visiting. I believe that worship can take place anywhere from a field to a Cathedral; from a small group to a crowd with thousands. Regardless of location or number of people, church starts with a good worship service. In 2016 when we were looking for a church, Frosty's sermons kept us coming back for more.

There is not a Sunday that goes by that I do not hear something in the sermon that I needed to hear, whether it's fuel for the week, challenging my current perspectives, charging me to take action or providing comfort.

I give so that my family and I have a tangible place to go to worship together, to hear stories that are thousands of years old that ground us in tradition. These ancient stories are brought to life in sermons at FFC, and still ring true today. They remind us what it means to be human.

I give so that hopefully anyone who partakes in any given Sunday will hear what they need to hear for both their personal and spiritual growth, find comfort, and be challenged or charged. I give so that you and I can fully live into our humanity and divinity.

Vice-Moderator

Christian Education spans the generations at FFC.

As a former Sunday school teacher and Theology on Tap participant, I have experienced both the teaching and learning side of what our congregation offers. I feel that our ability to learn with and also from each other helps grow our faith.

As a Sunday school teacher I was able to work with the youth of the congregation and see the excitement that Shoebox Sunday, Empty Tomb Sunday, and Kickoff Sunday gave to our youngest members here at FFC. Even through the COVID crisis, Ms. Jessica has given our youth activities to look forward to like Easter egg hunts, hot dog roasts, Vacation Bible School, and LOGOS.

Giving to FFC is one of the ways to help ensure even our youngest continue to see the bright light FFC offers during a time of uncertainty.

, Christian Education chair

One of the reasons I give to FFC's annual stewardship drive is to support the Senior High youth program. Every Sunday we all see the youngest kids in the youth program being ministered to in the Sanctuary. Once those same kids move through Junior High, we see less of them in the Sanctuary, but they continue with youth group every Sunday evening and begin going to Stronghold as they enter high school.

Each year at Stronghold is a building block in the spiritual formation of children at FFC. Even if you know kids that have attended, it can be hard to see what impact Stronghold has on them, what it means for them to be there and fellowship with their peers. When graduating seniors minister to younger kids during the retreat, that's when these kids begin to reveal Stronghold's significance in their lives.

It's meant a lot to them. Stronghold's a big deal. It's more than the sum of its' parts. It's one of our church's primary opportunities to mentor and guide these kids on their faith journey. It leaves a mark on them. They can sense God with us on those evenings, they can feel the energy, the power of good that comes from Christian fellowship in the Lord's presence. It's a great feeling for me to be there when that happens, to see the light inside them begin to be seen by all.

We couldn't do it without the support of our entire congregation. Thanks very much to each of you for supporting the youth program... whether you have kids in it or not, whether you were raised in it or not. I want you to know that the program truly does build disciples. Stronghold is a place where it all comes together under God's watchful eye.

, 2022 Stewardship Campaign co-chair

We have just completed the most successful Rummage Sale that has been held at First Federated Church. People might think that this is only a benefit for the missions that we support and the people purchasing items. Those that work the sale know that this is not true. The volunteers gain friendship and camaraderie throughout the preparation and days of the sale. There is tremendous satisfaction in knowing that we have truly helped others.

Consider how being a part of something adds to the satisfaction of the work that is done. When we make a pledge to First Federated Church, we actively support it. We do not go to church on Sunday, we go to our church. We gain much by being a part of the congregation and know that we are helping support the missions and activities with our pledges. We may be giving when we make a pledge, but we are also receiving much in return.

, Executive Board secretary

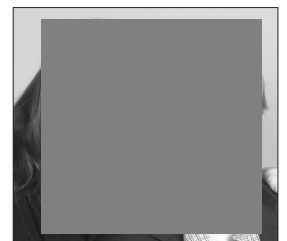

Whatever the reason you come to First Federated, we need your financial support.

Individual contributions are the number one source of support to keep our programs running throughout the year and which allow the church to provide the experiences you look forward to.

Please give prayerful consideration to making a financial commitment to support this church and all the good things it is doing, and fill out a card!

Many Blessings,

, 2022 Stewardship Campaign co-chair

Music

Good news is singing and ringing into our sanctuary. As of current CDC guidelines, we can sing in worship, so long as we are masked. As numbers decline (please pray that they do) we can have a hopeful, music filled, future. To that end, Choir returns to the chancel! We will begin rehearsals on Thursday, September 9th at 6 pm, and look to restart ringing bells following.

Worship

As we begin the program year the Worship Committee will be striving to provide as much normalcy to our church year as we can. We want to offer as welcoming and warm an environment as we are able here at FFC. We will also offer some of our unique worship traditions, like the lighting of memorial candles for All Saints. Due to the proximity of the observance and the desire to keep everyone safe, we will offer the opportunity to light candles on both October 31st and November 7th. As we look forward to the Advent season, please consider how you can, safely, and healthfully, help FFC be a beacon of holiday cheer and hope.

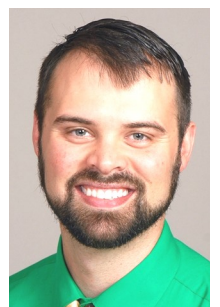

Hospitality

We are, excitedly, looking forward to the fun filled Kick Off Sunday on September 19th, following the 10 am service. We will also host another 11:15 outdoor service the first week of October, and hope to grow our worshipping family with more safe and welcoming opportunities in 2021. We thank everyone who has aided us in doing the work of FFC, even in these trying times.

Please be smart, be kind, and stay healthy.
